INAGUATION OF NEW XRD system in RDCIS, SAIL, RANCHI

A new Automatic XRD system by a reputed manufacturer of Japan was inaugurated by ED I/C, RDCIS, today in presence of other senior officials at Ispat Bhawan, Doda, Ranchi. This high performance fully automated computer controlled XRD system caters to all types of raw materials, refractory materials, ferrous and non-ferrous samples, which can be analysed for identification and measurement of constituent phases. It is also equipped with high temperature attachment, which is capable of in-situ phase identification up to 1500 deg C. Some unique applications of the system are measurement of crystalline and amorphous quantity in slag, characterization of clay, characterization and high temperature stability of refractory materials, measurement of reactive phases which is useful for waste recycling. These novel features make this system state-of-the-art in the national arena.

Adani Group demolishes chimney at NRC

This RCC Chimney was built in 1950 when the National Rayon Company Ltd plant at Mohone-Kalyan was commissioned. This chimney has created safety hazards for the Titwala Road and Ambeval Railway Station since the company was in closed-down position from Nov-2009. The RCC structure was in deplorable condition for almost the last 15 years. All the concerned authorities - Railway, KDMC and Khadkappa Police Station have served various notices to M/s NRC Ltd for urgent actions. M/s NRC Ltd went to NCLT in 2018 and Adani Group has acquired the company through NCLT in Mar-2020 and step-in in Sept-20. Immediately after taking over the management control of M/s NRC Ltd, Adani group decided to dismantle this very dangerous RCC Structures in the safest manner as a good corporate citizen.

ICG intercepts fishing boats with narcotics on March 18

On 15 Mar 21, intelligence input was received regarding suspicious boat of foreign origin likely to be engaged in drug trafficking in Arabian sea. On receipt and corroboration of input, a swift air-sea coordinated operation by Indian Coast Guard was launched immediately to detect the suspicious boats. The Coast Guard ships and aircraft conducted extensive search in the area off Lakshadweep Islands. On 18 Mar 21, patrolling ICG units detected three suspicious boats off Minicoy Islands and intercepted them. Post boarding, interrogation of crew revealed inconsistent statements. On rummaging of boats, high grade 300 Kgs Heroin and 05 AK-47 rifles with 1000 live rounds were recovered from Sri Lankan Fishing Boat Ravihansi. The estimated value of narcotics in international market is approx Rupees 30000 Crores. All three crew members were escorted to Vithinjilam, Kerala for further joint investigation. This is the second major anti-drug trafficking operation undertaken by ICG on west coast of India within a fortnight. On 5 Mar 21, ICG ships and aircraft, in a co-ordinated operation in Lakshadweep Sea, had successfully apprehended the banked fishing vessel, Sri Duwa with 06 crew off Minicoy island. The crew had admitted of carrying 200 kg high grade Heroin and 60 kg Hashish which was jettisoned at sea on sighting of ICG ships on patrol. The past one year has proved to be a big setback for drug traffickers at sea as ICG has successfully seized about 1.6 tons of narcotics worth approx Rs. 4900 Cr. The total drug haul done by ICG since inception amounts to Rs. 10,952 Cr.
