

Price Waterhouse & Co Chartered Accountants LLP

Independent auditor's report

To the Members of The Indian Steel & Wire Products Limited

Report on the audit of the financial statements

Opinion

1. We have audited the accompanying financial statements of The Indian Steel & Wire Products Limited ("the Company"), which comprise the balance sheet as at March 31, 2021, and the statement of Profit and Loss (including Other Comprehensive Income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

7. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
8. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to

Price Waterhouse & Co Chartered Accountants LLP

INDEPENDENT AUDITOR'S REPORT

To the Members of The Indian Steel & Wire Products Limited
Report on audit of the Financial Statements

Page 3 of 4

the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
9. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
10. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other legal and regulatory requirements

11. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
12. As required by Section 143(3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 33.1 to the financial statements;

- ii. The Company has long-term contracts as at March 31, 2021 for which there were no material foreseeable losses. The Company did not have any derivative contracts as at March 31, 2020;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2021;
 - iv. The reporting on disclosures relating to Specified Bank Notes is not applicable to the Company for the year ended March 31, 2021.
13. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

Annexure A to Independent Auditors' Report

Referred to in paragraph 12(f) of the Independent Auditors' Report of even date to the members of The Indian Steel & Wire Products Limited on the financial statements for the year ended March 31, 2021

Page 1 of 2

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of The Indian Steel & Wire Products Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

Price Waterhouse & Co Chartered Accountants LLP

Annexure A to Independent Auditors' Report

Referred to in paragraph 12(f) of the Independent Auditors' Report of even date to the members of The Indian Steel & Wire Products Limited on the financial statements for the year ended March 31, 2021

Page 2 of 2

A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure B to Independent Auditors' Report

Referred to in paragraph 11 of the Independent Auditors' Report of even date to the members The Indian Steel & Wire Products Limited on the financial statements as of and for the year ended March 31, 2021

- i. (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) The fixed assets are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
 - (c) The title deeds of immovable properties, as disclosed in Note 4 & 5 on fixed assets to the financial statements, are held in the name of the Company.
- ii. The physical verification of inventory (excluding stocks with third parties) have been conducted at reasonable intervals by the Management during the year. In respect of inventory lying with third parties, these have substantially been confirmed by them. The discrepancies noticed on physical verification of inventory as compared to book records were not material.
- iii. The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3(iii), (iii)(a), (iii)(b) and (iii)(c) of the said Order are not applicable to the Company.
- iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Section 185 and 186. Therefore, the provisions of Clause 3(iv) of the said Order are not applicable to the Company.
- v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of provident fund, employees' state insurance and professional tax, though there has been a slight delay in a few cases, and is regular in depositing undisputed statutory dues, including income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess, goods and service tax and other material statutory dues, as applicable, with the appropriate authorities. Also refer note 37 to the financial statements regarding management's assessment on certain matters relating to provident fund.

Price Waterhouse & Co Chartered Accountants LLP

Annexure B to Independent Auditors' Report

Referred to in paragraph 11 of the Independent Auditors' Report of even date to the members The Indian Steel & Wire Products Limited on the financial statements as of and for the year ended March 31, 2021
Page 2 of 3

- (b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of service-tax, duty of customs, duty of excise and goods and service tax as at March 31, 2021 which have not been deposited on account of any dispute. The particulars of dues of income tax and sales tax as at March 31, 2021 which have not been deposited on account of a dispute, are as follows:

Name of the statute	Nature of dues	Amount (Rs. In lacs)	Period to which the amount relates	Forum where the dispute is pending
Sales Tax Act	Sales Tax/Value Added Tax	1,769.45	1996-97 to 2000-01 and 2003-17	Appellate Authority - Upto Tribunal level
Income Tax Act	Income Tax	405.52	2010-11	Commissioner of Income Tax (Appeals)

- viii. As the Company does not have any loans or borrowings from any financial institution or bank or Government, nor has it issued any debentures as at the balance sheet date, the provisions of Clause 3(viii) of the Order are not applicable to the Company.
- ix. The Company has not raised any moneys by way of initial public offer, further public offer (including debt instruments) and term loans. Accordingly, the provisions of Clause 3(ix) of the Order are not applicable to the Company.
- x. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.
- xi. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act. Also refer paragraph 13 of our main audit report.
- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the provisions of Clause 3(xii) of the Order are not applicable to the Company.
- xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act.
- xiv. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of Clause 3(xiv) of the Order are not applicable to the Company.
- xv. The Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the provisions of Clause 3(xv) of the Order are not applicable to the Company.

THE INDIAN STEEL & WIRE PRODUCTS LIMITED

(A Subsidiary of Tata Steel Ltd.)

Notes forming part of the Financial Statements

01 - Accounting Policies

(1) GENERAL CORPORATE INFORMATION

The Indian Steel & Wire Products Limited (“The Company”) is a subsidiary of Tata Steel Limited (“Tata Steel”). The Company has set up its manufacturing facilities at Jamshedpur and has its Registered Office in Kolkata, West Bengal, India.

The Company is one of the first wire drawing plants established in India in the year 1920. The Wire Unit comprises of Wire Rod Mill and Wire Mill. The product portfolio of the Company includes various products like Welding electrodes, GI Wires, Mig Wire, Nails, Barbed Wire, Wire Rod and TMT. The Wire division of the company being an External Processing Agent receives conversion charges from Tata Steel.

Apart from Wire Unit it has another unit for Steel Roll Manufacturing named Jamshedpur Engineering & Machine Manufacturing Company (JEMCO), pioneer in Industrial Roll and Engineering Casting manufacturing. The Unit produces Iron & Steel Rolls for Integrated Steel Plants and Engineering Castings for Steel Plants, Automobile Industry and Power Plants etc.

The financial statements are presented in Indian Rupee (INR) which is also the functional currency of the company.

(2) Statement of compliance

The financial statements comply in all material aspect with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ('the Act') (Companies (Indian Accounting Standards) Rules, 2015) and other relevant provisions of the Act.

(3) Summary of significant accounting policies

3.01 Basis of preparation and presentation

- (i) These financial statements have been prepared on a historical cost basis except for the following:
 - (a) certain financial assets and liabilities are measured at fair value
 - (b) assets held for sale are measured at fair value less cost to sell.

- (ii) New and amended standards adopted by the company

The Company has applied the following standards and amendments for the first time for their annual reporting period commencing 1 April 2020.

- (i) Definition of Material – amendments to Ind AS 1 and Ind AS 8
- (ii) Definition of a Business – amendments to Ind AS 103
- (iii) COVID-19 related concessions – amendments to Ind AS 116
- (iv) Interest Rate Benchmark Reform – amendments to Ind AS 109 and Ind AS 107

The amendments listed above did not have any impact on the amounts recognised in current/prior periods.

3.02 Use of Estimates

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented.

THE INDIAN STEEL & WIRE PRODUCTS LIMITED

(A Subsidiary of Tata Steel Ltd.)

Notes forming part of the Financial Statements

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are included in the following notes:

- Useful lives of Property, plant and equipment and intangible assets (Refer Note 3.06 and 3.07)
- Provisions and Contingencies (Refer Note 33.1)
- Valuation and measurement of income taxes and deferred taxes (Refer Note 27 (i) and 27 (ii))
- Assets and liabilities relating to employee benefits (Refer Note 30)

3.03 REVENUE RECOGNITION

(i) Sale of goods

Revenue from the sale of goods is recognised when the company sells a product to the customers. Payment of the transaction price is due immediately when the customer purchases the goods and takes the delivery. The delivery considered to be taken place when;

- The Company has transferred the significant control over the goods;
- The Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- It is probable that the economic benefits associated with the transaction will flow to the Company; and

(ii) Sale of services

The wire division acts as an external processing agent of Tata Steel Limited for conversion of wire rod and billet into TMT and wire. Conversion income is recognized in the accounting period in which the conversion service is rendered.

(iii) Dividend and Interest income

Dividend income is recognised when the company's right to receive dividend is established. Interest income is recognised on a time proportion basis taking into account the amount outstanding and the effective interest rate applicable.

(iv) Rental income

Rental income from investment properties is recognised on a straight line basis over the term of the relevant leases.

THE INDIAN STEEL & WIRE PRODUCTS LIMITED

(A Subsidiary of Tata Steel Ltd.)

Notes forming part of the Financial Statements

3.04 Employee Benefits

i). Short-term benefits

Short term employee benefits are recognised as an expense at the undiscounted amount in the statement of profit and loss of the year in which the related service is rendered.

ii). Defined contribution retirement benefits

Payments to defined contribution retirement benefits are recognised as an expense when employees have rendered services entitling them to the contributions. Defined contribution plans are those plans where the Company pays fixed contributions to funds/schemes. Contributions are paid in return for services rendered by the employees during the year. The company has no legal or constructive obligation to pay further contributions if the fund/scheme does not hold sufficient assets to pay/extend employee benefits.

iii). Defined benefit retirement benefits

The cost of providing defined benefit retirement benefits are determined using the projected unit credit method, with independent actuarial valuations being carried out at the end of each reporting period. The Company provides gratuity to its employees and pension to retired whole-time directors. The post retirement medical benefit is provided to employees and retired whole-time directors. Gratuity liabilities are funded and managed through separate trust M/s Life Insurance Corporation of India (LIC) from January 1st, 2012 . The liabilities towards pension to retired whole-time directors are not funded.

Remeasurements, comprising actuarial gains and losses, return on plan assets excluding amounts included in net interest on the net benefit liability (asset) and any change in the effect of the asset ceiling (if applicable) are recognised in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in the comprehensive income are not reclassified to the statement of profit and loss. Past service costs are recognised in the statement of profit and loss in the period in which the amendment to plan occurs. Net interest is calculated by applying the discount rate to the net defined liability or asset at the beginning of the period, taking into account of any changes in the net defined benefit liability (asset) during the period as a result of contribution and benefit payments.

THE INDIAN STEEL & WIRE PRODUCTS LIMITED

(A Subsidiary of Tata Steel Ltd.)

Notes forming part of the Financial Statements

Defined benefit costs which are recognised in the statement of profit and loss are categorised as follows

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements); and
- net interest expense or income.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reduction in future contributions to the plans.

The liability for termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs.

The Company provides Provident Fund facility to all employees. The contributions are expensed as they are incurred in line with the treatment of wages and salaries. The Company's Provident Fund is exempted under Section 17 of Employees' Provident Fund and Miscellaneous Provision Act, 1952. Conditions for exemption stipulate that the Company shall make good deficiency, if any, in the interest rate declared by the trust vis-s-vis interest rate declared by the Employees' Provident Fund Organisation.

iv). Other Long-term benefits

The Company provides annual leave which are accumulating and vesting to its employees. The annual leave benefit is not funded. The cost of providing annual leave benefits are determined using the projected unit credit method, with independent actuarial valuations being carried out at the end of each reporting period. All actuarial gains or losses are recognised in the statement of profit and loss in the period in which they occur.

3.05 Taxation

i). Current tax

Current tax is payable based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

THE INDIAN STEEL & WIRE PRODUCTS LIMITED

(A Subsidiary of Tata Steel Ltd.)

Notes forming part of the Financial Statements

ii). Deferred tax

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in statement of profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

iii). Minimum alternate tax

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is recognised as an asset in the balance sheet when there is convincing evidence that the Company will pay normal income tax during the specified period and it is probable that future economic benefit associated with it will flow to the Company.

3.06 Property, Plant and equipment

- a) Buildings and Roads, Plant and Equipment, Furniture and Fixtures and Vehicles held for use in the production or supply of goods or services, or for administrative purposes are stated at cost less accumulated depreciation and accumulated impairment losses. Cost includes purchase cost of materials, including import duties and non-refundable taxes, any directly attributable costs of bringing an asset to the location and condition of its intended use and borrowing costs capitalised in accordance with the Company's accounting policy.

THE INDIAN STEEL & WIRE PRODUCTS LIMITED

(A Subsidiary of Tata Steel Ltd.)

Notes forming part of the Financial Statements

Properties in the course of construction for production or supply of goods or services or for administrative purposes are carried at cost, less any recognised impairment losses.

Depreciation is recognised so as to write off the cost of assets (other than properties under construction) less their residual values over the useful lives, using the straight-line method. Depreciation of assets commences when the assets are ready for their intended use. The estimated useful lives and residual values are reviewed at the end of each reporting period, with the effect of any changes is accounted as change in estimate on a prospective basis.

Estimated useful lives of the assets are as follows:

Buildings and Roads	: 3 to 60 Years
Plant and Equipment	: 3 to 35 Years
Furniture and Fixtures	: 10 Years
Office Equipments	: 3 to 5 Years
Computers	: 3 Years
Motor Vehicles	: 8 to 10 Years

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is recognised in the statement of profit and loss.

b) Capital work-in-progress

Capital Work-in-Progress includes, material, labour and other directly attributable costs incurred on assets, which are yet to be commissioned. Capital Inventory is included in Capital work-in-progress and comprises stock of capital items and construction materials at stores and with contractors.

3.07 Intangible assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment (if any) losses. Amortisation is recognised at straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquire separately are carried at cost less accumulated impairment losses.

Estimated useful lives of the intangible assets are as follows:

Software	: 5 to 10 Years
----------	-----------------

An intangible asset is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of intangible assets is recognised in the statement of profit and loss.

THE INDIAN STEEL & WIRE PRODUCTS LIMITED

(A Subsidiary of Tata Steel Ltd.)

Notes forming part of the Financial Statements

3.08 Impairment of assets

The carrying values of assets/cash generating units at each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss.

3.09 Inventories

Raw materials, work-in-progress and finished products are valued at lower of cost and net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes purchase price, non refundable taxes and duties and other directly attributable costs incurred in bringing the goods to the point of sale. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, taxes. Net realisable value is the price at which the inventories can be realised in the normal course of business after allowing for the cost of conversion from their existing state to a finished condition and for the cost of marketing, selling and distribution.

Scrap are valued at net realisable value.

Stores and spares are valued at cost comprising of purchase price, non refundable taxes and duties and other directly attributable costs after providing for obsolescence and other losses, where considered necessary.

Value of inventories are generally ascertained on the "weighted average" basis.

3.10 Provisions, Contingent liabilities and Contingent assets

3.10.01 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

3.10.02 Warranties

Provisions for the expected cost of warranty obligations under local sale of goods legislation are recognised at the date of sale of the relevant products, at the management's best estimate of the expenditure required to settle the Company's warranty obligation.

THE INDIAN STEEL & WIRE PRODUCTS LIMITED

(A Subsidiary of Tata Steel Ltd.)

Notes forming part of the Financial Statements

3.10.03 Contingent liabilities and assets

Contingent liability is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or is a present obligation that arises from past events but is not recognised because either it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation, or a reliable estimate of the amount of the obligation cannot be made. Contingent liabilities are disclosed and not recognised. In the normal course of business, contingent liabilities may arise from litigation and other claims against the company. There are certain obligations which management has concluded, based on all available facts and circumstances, are not probable of payment or are very difficult to quantify reliably, and such obligations are treated as contingent liabilities and disclosed in the notes but are not reflected as liabilities in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings in which the company is involved, it is not expected that such contingencies will have a material effect on its financial position or profitability.

3.11 Foreign exchange gain and losses

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other gains/(losses).

3.12 Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transactions costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transactions cost directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit and loss are recognised immediately in the statement of profit and loss.

3.13 Financial assets

All regular purchases or sales of financial assets are recognised and derecognised on a transaction date basis. Regular purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

THE INDIAN STEEL & WIRE PRODUCTS LIMITED

(A Subsidiary of Tata Steel Ltd.)

Notes forming part of the Financial Statements

3.13.01 Financial assets at fair value through profit and loss (FVTPL)

Investments in equity instruments are classified as at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognised in profit or loss. The net gain or loss recognised in profit or loss is included in the 'Other income' line item.

3.13.02 Impairment of financial assets

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables only, Company follow a simplified approach where provision is made as per the ageing buckets which are designed based on historical facts and patterns.

3.13.03 Derecognition of financial assets

A financial asset is derecognised only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

3.13.04 Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, Cash and cash equivalents includes cash on hand , cheques/ drafts on hand and short term deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.14 Financial liabilities and equity instruments

3.14.01 Financial liabilities

Financial liabilities are measured at amortised cost or at FVTPL.

Financial liabilities that are not held for trading and are not designated as at FVTPL are measured at amortised cost.

THE INDIAN STEEL & WIRE PRODUCTS LIMITED

(A Subsidiary of Tata Steel Ltd.)

Notes forming part of the Financial Statements

3.14.02 Trade and other payables

These amounts represent liabilities for goods and services received by the Company prior to the end of reporting period which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost.

3.15 Segment Reporting

The board of directors assesses performance of the Company as Chief Operating Decision Maker (CODM).

The Company has disclosed Business Segment as the primary segment. The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The Company's operations predominantly relate to manufacture of Wire products, Direct business and Rolls.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment. Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors.

3.16 Leases

Leases are recognized as a Right-of-Use Assets and corresponding liability at the date at which the leased assets are available for use by the Company. Assets and liabilities arising from lease are initially measured on a present value basis. Lease liability include the net present value of the following lease payments;

- Fixed payments (including in-substance fixed payments), less lease incentives receivable, if any.
- Variable lease payments, if any.
- Amount expected to be payable by the Company under residual value guarantees, if any.

The lease payments are discounted using the interest rate implicit in the lease. If the rate cannot be readily determined, the lessee's incremental borrowing rate is used.

Lease payments are allocated between principle and finance cost. The finance cost is charged to profit or loss over the lease period, so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

THE INDIAN STEEL & WIRE PRODUCTS LIMITED

(A Subsidiary of Tata Steel Ltd.)

Notes forming part of the Financial Statements

Right-of-use assets are measured at cost comprising the following:

- The amount of initial measurement of lease liability
- Any lease payment made at or before the commencement date less any lease incentive
- Any initial direct cost and
- Restoration cost if any

Right-of-use assets are depreciated over the lease term on a straight-line basis.

3.17 Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are expensed in the period in which they are incurred.

3.18 Assets held for sale and discontinued operations

Non-current assets classified as held for sale are measured at the lower of their carrying value and fair value less costs to sell.

Assets are classified as held for sale if their carrying value will be recovered through a sale transaction rather than through continuing use. This condition is only met when the sale is highly probable and the asset is available for immediate sale in its present condition and is marketed for sale at a price that is reasonable.

3.19 Earnings per share

Basic earnings per share is computed by dividing the profit after tax before other comprehensive income by the weighted average number of equity shares outstanding during the financial year. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity and dilutive equity equivalent shares outstanding during the year, except where the results would be anti dilutive.

* Long Term liabilities include deposits of Rs. 1,400 lakhs received from Tata Steel Limited (As at March 31, 2020 Rs.1,400 lakhs) towards security deposit against Alipore flats given on lease as per the terms of the agreement which is renewable on its expiry. The economic value amounting to Rs. 126 lakhs (As at March 31, 2020 Rs. 126 lakhs) is adjusted while arriving at the rental income Rs. 59.69 lakhs (As at March 31, 2020 Rs. 59.69 lakhs) in respect of such properties (refer Note 5 & note 21).

Note:

The Company had adopted Ind AS 116 retrospectively from 01.04.2019, but had not restated comparative for the year ended 31.03.2019. as permitted under the specific transition provision in the standard. The reclassification and the adjustments arising from the new leasing rules were therefore recognised in the opening balance sheet on 01.04.2019.

On adoption of Ind AS 116, the Company recognised lease liabilities in relation to lease which had previously classified as "operating lease" under the principal of Ind AS 17, Leases. The liabilities were measured at the present value of the remaining lease payments, discounted using the lessee's incremental borrowing rate applied to the lease liabilities on 01.04.2019 was 10.73%.

In applying the Ind AS 116 for the first time, the Company had used the following practical expedients permitted by the standard.

- applying single discount rate to A portfolio of leases with reasonably similar character
- accounted for operating leases with remaining lease term of less than 12 months as at 01.04.2019 as short term lease
- excluding initial direct cost for the measurement of the right-of-use assets at the date of initial application and
- using hindsight in determining the lease term where the contract contains options to extend or terminate the lease.

Rs in Lakhs

Measurement of lease liabilities	As at March 31, 2020
Operating lease commitments disclosed at beginning of the year	-
Discounted using the lessee's incremental borrowings rate at the date of initial application	-
Add: finance lease liabilities recognised at beginning of the year	-
Add: Contracts reassessed as lease contracts	48.81
Lease liabilities recognised as close of the year	-

Of which are:

Current lease liabilities	35.98
Non-current lease liabilities	12.83

THE INDIAN STEEL & WIRE PRODUCTS LIMITED

(A Subsidiary of Tata Steel Ltd.)

Notes forming part of the Financial Statements**28- Segment Disclosures**

(1) For management purposes, the entity is organised into business units based on its products and services and has three reportable segments under IND AS 108, as follows:

- a) Wires Segment which includes rod and wire mill
- b) Rolls Segment which includes JEMCO division
- c) Direct business Segment which includes MIG products

The executive committee monitors the operating results of its business units separately for the purpose of making decision about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statement. Also, the Company's financing and income taxes are managed on a Company level and are not allocated to operating segment.

Transfer price between operating segment are on arm's length basis in a manner similar to transaction with third parties.

Information about reportable segments:

		For the year ended March 31, 2020
The earnings and weighted average number of equity shares used in the calculation of basic earnings per share are as follows:		
Profit for the year attributable to owners of the Company from continuing operations	1,195.56	2,868.32
Profit for the year attributable to owners of the Company from discontinuing operations	2.84	(77.95)
Total Profit for the year attributable to owners of the Company from continuing and discontinuing operations	1,198.40	2,790.37

Description	No of Shares	No of Shares
Weighted average number of equity shares of Rs.10 each for basic and diluted EPS	59,91,896	59,91,896
Basic/diluted Earnings per equity Share. (Rs./ Share) from continuing operations	19.95	47.87
Basic/diluted Earnings per equity Share. (Rs./ Share) from discontinuing operations	0.05	(1.30)
Basic/diluted Earnings per equity Share. (Rs./ Share) from continuing and discontinuing operations	20.00	46.57

The Company is not having any potential ordinary shares which are dilutive in nature. Hence diluted earnings per share is not calculated separately.

THE INDIAN STEEL & WIRE PRODUCTS LIMITED

(A Subsidiary of Tata Steel Ltd.)

Notes forming part of the Financial Statements

30 - Disclosure relating to Indian Accounting Standard IND AS- 19

30.1 Defined contribution plans

The Company has a superannuation plan for the benefit of certain employees. This benefit is defined contribution scheme as the Company does not carry any further obligations apart from the contributions made which are recognised as expense under 'Contribution to Provident and Other Funds' in Note 23.

The company has recognised, in the profit and loss account for the current year, an amount of Rs. 93.58 lakhs (2019-20 : Rs 94.40 lakhs) as expenses under the following defined contribution plans.

30.02 The company operates post retirement defined benefit plans as follows:

- a. Funded
Post Retirement Gratuity
- b. Unfunded:
Post Retirement Medical benefits
Post Retirement pension for retired whole-time directors

The Company provides Gratuity benefit to all employees. The Company provides post retirement pension for retired whole-time directors. The company has decided to adopt the group gratuity scheme offered by M/s Life Insurance Corporation of India (LIC) from January 1, 2012. The board of trustees of the gratuity fund composed of an equal number of representatives from both employees and employers. The board of the Fund is required by law and by the trust deed to act in the interest of the Fund and of all relevant stakeholders in the scheme. The board of trustee of the fund and management of life insurance company is responsible for the investment policy with regard to the assets of the Fund. Post retirement pension plan is not funded.

Under the gratuity plan, the employees with minimum five years of continuous service are entitled to lumpsum payment at the time of separation calculated based on the last drawn salary and number of years of service rendered with the company. Under the post retirement pension, the Company pays monthly pension to retired whole-time directors as decided by the board of directors.

The major portions of the assets are invested in PSU bonds, Private Sector unit Bond and State / Central Govt. guaranteed securities. Based on the asset allocation and prevailing yield rates on these asset classes, the long term estimate of the expected rate of return on the fund assets have been arrived at. Assumed rate of return on assets is expected to vary from year to year reflecting the returns on matching Government bonds.

The estimates of future salary increases take into account inflation, seniority, promotion and other relevant factor.

These plans expose the Company to actuarial risks such as investment risk, interest rate risk, longevity risk and salary risk

Investment Risk The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. Currently, for the plan in India, it has relatively balanced mix of investments in government securities and other debt instruments.

Interest risk A decrease in the bond interest rate will increase the plan liability.
Longevity risk The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

THE INDIAN STEEL & WIRE PRODUCTS LIMITED

(A Subsidiary of Tata Steel Ltd.)

Notes forming part of the Financial Statements

Salary risk The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The most recent actuarial valuation of the plan assets and the present value of defined benefit obligation were carried out as at March 31, 2021 by independent actuary, Fellow of the Institute of Actuaries of India. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

During the year ended March 31, 2021 and March 31, 2020 there was no amendment, curtailments and settlements in the gratuity plan and post retirement pension plans.

30.03 (a) Details of the Post Retirement Gratuity plan are as follows:

THE INDIAN STEEL & WIRE PRODUCTS LIMITED

(A Subsidiary of Tata Steel Ltd.)

Notes forming part of the Financial Statements

11. Sensitivity analysis

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis given below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

i) If the discount rate is 100 basis points higher (lower), the defined benefit obligation would decrease by Rs. 156.44 lakhs (increase by Rs. 179.14 lakhs) [as at March 31, 2020: decrease by Rs 156.02 lakhs (increase by Rs 178.79 lakhs)].

ii) If the expected salary increase growth increase /(decreases) by 1%, the defined benefit obligation would increase by Rs 174.24 lakhs (decrease by Rs 155.36 lakhs) [as at March 31, 2020: increase by Rs 173.61 lakhs (decrease by Rs 154.70 lakhs)].

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is likely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

In presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is same as applied in calculating the defined benefit obligation liability recognised in the balance sheet. There was no change in the method and assumptions used in preparing the sensitivity analysis from prior years.

d. Average medical cost (Rs/person)	3000	-	2500	-

30.03 (c) Provident fund benefits provided under plans wherein contributions are made to an irrevocable trust set up by the Company to manage the investments and distribute the amounts entitled to employees are treated as a defined benefit plan as the Company is obligated to provide the members a rate of return which should, at the minimum, meet the interest rate declared by Government administered provident fund. The contributions made by the Company and the shortfall of interest, if any, are recognised as an expense in profit and loss under employee benefits expense. In accordance with an actuarial valuation of provident fund liabilities based on guidance issued by Actuarial Society of India and based on the assumptions as mentioned below, there is no deficiency in the interest cost as the present value of the expected future earnings of the fund is greater than the expected amount to be credited to the individual members based on the expected guaranteed rate of interest of Government administered provident fund.

The company has recognized, in the profit and loss account for the current year, an amount of Rs. 144.86 lakhs (March 31, 2020 : Rs 139.13 lakhs) as expenses under the following defined contribution plans.

THE INDIAN STEEL & WIRE PRODUCTS LIMITED
(A Subsidiary of Tata Steel Ltd.)
Notes forming part of the Financial Statements

Details of Provident fund benefit plans are as follow:

Summary of the key results for the year

Rs in Lakhs

Particulars	As at March 31, 2021	As at March 31, 2020
<u>Projected benefit obligation:</u>		
a) EPFO Interest Guarantee	225.32	138.42
b) Total PF obligation	5,481.23	4,719.53
c) Total Market Value of Investment	5,707.71	5,185.55
Net Liability	-	-

Key assumptions used for actuarial valuation are as below:

	As at March 31, 2021	As at March 31, 2020
Discount rate	6.50%	6.50%
Guaranteed rate of return	8.50%	8.50%
Expected rate of return on investment	8.00%	8.60%

4. Sensitivity analysis

a) Employees PRMB Sensitivity analysis

i) If the discount rate is 100 basis points higher (lower), the defined benefit obligation would decrease by Rs 36.04 lakhs (increase by Rs 44.64 lakhs) [as at March 31, 2020: decrease by Rs 33.85 lakhs (increase by Rs 42.28 lakhs)].

ii) If the Medical cost inflation rate increases/(decreases) by 1%, the defined benefit obligation would increase by Rs 43.21 lakhs (decrease by Rs 35.54 lakhs) [as at March 31, 2020: increase by Rs 40.77 lakhs (decrease by Rs 33.29 lakhs)].

b) Ex- MD PRMB Sensitivity analysis

i) If the discount rate is 100 basis points higher (lower), the defined benefit obligation would decrease by Rs. 0.76 lakh (increase by Rs.0.86 lakh) [as at March 31, 2020: decrease by Rs 0.80 lakh (increase by Rs 0.91 lakh)].

c) Pension Sensitivity analysis

i) If the discount rate is 100 basis points higher (lower), the defined benefit obligation would decrease by Rs 6.49 lakhs (increase by Rs 7.44 lakhs) [as at March 31, 2020: decrease by Rs 6.98 lakhs (increase by Rs 8.03 lakhs)].

ii) If the Inflation rate increases/(decreases) by 1%, the defined benefit obligation would increase by Rs 7.55 lakhs (decrease by Rs 6.70 lakhs) [as at March 31, 2020: increase by Rs 8.15 lakhs (decrease by Rs 7.20 lakhs)].

5. Maturity profile

Rs in Lakhs

Particulars	For the period ended March 31, 2021		For the year ended March 31, 2020

Within 4 - 5 years	19.90	7.75	16.32	7.89
Over 5 years	114.92	37.68	95.20	38.89

THE INDIAN STEEL & WIRE PRODUCTS LIMITED

(A Subsidiary of Tata Steel Ltd.)

Notes forming part of the Financial Statements

31 Financial Instruments and Cash Management

31.01 Capital Management

The company manages its capital to ensure that entities will be able to continue as going concerns while maximizing the return through the optimization of the debts and equity balance.

Borrowing of the Company as at March 31, 2021 in nil (March 31, 2020 : nil), hence the capital structure of the Company comprise of share capital and other equity.

31.02 Financial risk management objectives

The entity monitors and manages the financial risks relating to the operations of the entity through internal MIS reports which analyse the exposure by degree and magnitude of risks. These risks includes market risk (Interest rate risk, currency risk and other price risk), credit risk and liquidity risk.

31.03 Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk.

Interest rate sensitivity analysis:

The sensitivity analysis have been determined based on the exposure to interest rates for financial assets and liabilities at the end of the reporting period. The company does not have variable rate instruments as at the balance sheet date. This mitigates the company market risk.

Foreign currency risk

The sensitivity analysis have been determined based on the exposure to interest rates for financial assets and liabilities at the end of the reporting period.

The carrying amounts of the Company's foreign currency denominated monetary assets at the end of the reporting period is nil (March 31, 2020 : nil)

Commodity price risk

The company doesn't have any derivative assets and liabilities. This mitigates the company from commodity price risk.

31.04 Credit risk management

Trade receivables consist of a large number of customers. Ongoing credit evaluation is performed on the financial condition of account receivables and where appropriate, provision has been considered in the books.

The concentration of credit risk is limited to the fact that the major customer is Tata Steel Limited which is the parent company. The remaining customer base are widely spread hence Company's credit risk is considered to be low.

THE INDIAN STEEL & WIRE PRODUCTS LIMITED

(A Subsidiary of Tata Steel Ltd.)

Notes forming part of the Financial Statements**31.05 Liquidity risk management**

The company monitors its risk of a shortage of funds using a liquidity planning tool.

The entity's objective is to maintain a balance between continuity of funding and flexibility through the use of bank cash credit. The entity manages the short term and medium term funds and liquidity requirements by maintaining adequate reserves and banking facilities, by continuously monitoring forecast and actual cash flows.

The following table details the entities remaining contractual maturity for its non derivative financial liability with agreed repayment periods. The table has been drawn based on the undiscounted cash flows of financial liabilities based on the earliest date on which the entity can be required to pay. The table includes both interest and principal cash flows. The contractual maturity is based on the earliest date on which the entity may be required to pay.

Particulars	Carrying amount	Rs in Lakhs	
		less than 1 year	between 1 - 5 years

(A Subsidiary of Tata Steel Ltd.)

Notes forming part of the Financial Statements**33 Contingent liabilities and commitments****33.1 Claims against the Company not acknowledged as debt**

(i) As per clause 6.12 (xiii) of Board for Industrial and Financial Reconstruction order dated November 21, 2003 for all liabilities not disclosed in the audited balance sheet for the year ended March 31, 2002 including notes on accounts as then, would be the personal responsibility of the erstwhile promoters to discharge. In view of the above, these liabilities were not recognized in the financial statements subsequent to financial year 2003-04 but were disclosed as contingent liabilities. During the previous year, the Company along with Tata Steel Limited had entered into one time full and final settlement agreement with Indra Singh & Sons Private Limited (Erstwhile Promoters) on August 22, 2019 pursuant to which it had received Rs. 2,000 lakhs as a consideration for settlement of the pending disputes and other claims. The Company had derecognized Rs. 1,843.18 lakhs out of the total receipt as "Exceptional Items" in the statement of profit and loss and balance amounting to Rs. 156.82 lakhs is disclosed as "Other Current Liabilities" under Note 14(ii) in the Balance Sheet on the basis of existing claims against the amounts received.

Consequently, the Company has reassessed the status of aforementioned contingent liabilities as of March 31, 2021, based on the examination of the related records, details and evidences, and accordingly disclosed in the financial statements.

Notes forming part of the Financial Statements**34- Assets and liabilities classified as held for sale**

ISWP had commenced operations in a new business vertical of Fasteners in FY'15 through re-vamping the old machinery lying unused for 16 years at a very nominal cost. However, the business could not yield the expected results and its performance remained unsatisfactory over a considerable period of time due to high cost of operations resulting from obsolete technology and process and adverse market conditions.

In view of the above facts, it was decided to discontinue the Fasteners business in FY'18.

- 37 The Hon'ble Supreme Court Judgement in case of "Vivekananda Vidyamandir And Others Vs The Regional Provident Fund Commissioner (II) West Bengal" and the related circular (Circular No. C-1/1(33)2019/Vivekananda Vidya Mandir/284) dated March 20, 2019 issued by the Employees' Provident Fund Organization has been evaluated, assessed (which is also supported by legal advice) and applied by the Management from 2019-20. The Company has determined that there is no material impact of this matter relating to its retrospective application and accordingly, no provision towards that has been considered.
- 38 Covid-19: Consequent to the nationwide lockdown announced on 24th March 2020 due to the spread of COVID-19, the operations of the Company were disrupted. Due to relaxations granted by and permissions obtained from various government authorities to ease the conditions imposed during nationwide lockdown, operations have subsequently been improved and the Company is gradually returning to normalcy. The Company has assessed the impact of COVID 19 on the financial statements, liquidity position, future business and cash flow and has concluded that no material adjustments are required in the financial statements.
- 39 The cost audit for the years ended March 31, 2016 to 2019 has been completed and audit reports for these years have been approved by the Board of Directors on June 29, 2020. The Company has filed the relevant return along with the said reports under Companies Fresh Start Scheme, 2020 issued by the Ministry of Corporate Affairs on March 30, 2020, on June 25, 2020, i.e. within the prescribed timeline of December 31, 2020. As required under the scheme, the Company has filed the required application and obtained immunity vide letter dated April 9, 2021 from penal provisions.

THE INDIAN STEEL & WIRE PRODUCTS LIMITED

(A Subsidiary of Tata Steel Ltd.)

Notes forming part of the Financial Statements

- 40 The Board of Directors of the Company has approved the Scheme for amalgamation with Tata Steel Long Products Limited (“amalgamating Company”) at its meeting held on November 13, 2020 with the exchange ratio of 10 fully paid-up equity shares of nominal value of Rs 10 each of Tata Steel Long Products Limited to 16 fully paid-up equity shares held by eligible members of The Indian Steel & Wire Products Limited. The amalgamating Company has submitted the scheme of amalgamation with Stock Exchanges for approval. The above transaction is subject to the approval of National Company Law Tribunal.
- 41 Previous year's figures have been regrouped/ reclassified wherever necessary to correspond with the current year's classification/ disclosure.
