

Price Waterhouse & Co Chartered Accountants LLP

Independent auditor's report

To the Members of Haldia Water Management Limited

Report on the audit of the financial statements

Opinion

1. We have audited the accompanying financial statements of Haldia Water Management Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of changes in equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

4. We draw your attention to Note 1.5 regarding the preparation of the financial statements on a going concern basis in view of the support letter received from the parent company. The Company is presently evaluating its future plans for operations. Our opinion is not modified in respect of this matter.

INDEPENDENT AUDITOR'S REPORT

To the Members of Haldia Water Management Limited
Report on audit of the Financial Statements

Page 2 of 4

Other Information

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon. The Director's report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Director's report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

Responsibilities of management and those charged with governance for the financial statements

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Price Waterhouse & Co Chartered Accountants LLP

INDEPENDENT AUDITOR'S REPORT

To the Members of Haldia Water Management Limited
Report on audit of the Financial Statements

Page 3 of 4

9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other legal and regulatory requirements

12. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
13. As required by Section 143(3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and Cash Flow Statement dealt with by this Report are in agreement with the books of account.

Page 4 of 4

(d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.

(e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.

(f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations which would impact its financial position .
- ii. The Company has long-term contracts as at March 31, 2021 for which there were no material foreseeable losses. The Company did not have derivative contracts as at March 31, 2021..
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2021.
- iv. The reporting on disclosures relating to Specified Bank Notes is not applicable to the Company for the year ended March 31, 2021.

14. The Company has not paid/ provided for any managerial remuneration during the year. Accordingly, reporting under Section 197(16) of the Act is not applicable.

Annexure B to Independent Auditors' Report

Referred to in paragraph 12 of the Independent Auditors' Report of even date to the members of Haldia Water Management Limited on the financial statements as of and for the year ended March 31, 2021

Page 1 of 1

- i. Matter specified in clauses (i), (ii), (iii), (iv), (v), (vi), (viii), (ix), (xii), (xiv), (xv), (xvi) of paragraph 3 of the CARO, 2016 do not apply to the Company.
- ii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including income tax and other material statutory dues, as applicable, with the appropriate authorities.

(b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income-tax, sales-tax, service-tax, duty of customs, and duty of excise or value added tax or goods and service tax which have not been deposited on account of any dispute.
- iii. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.
- iv. The Company has not paid/ provided for any managerial remuneration during the year. Accordingly, reporting under Section 197(16) of the Act is not applicable. Also refer paragraph 14 of our main audit report.
- v. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act.

Annexure A to Independent Auditors' Report

Referred to in paragraph 13(f) of the Independent Auditors' Report of even date to the members of Haldia Water Management Limited on the financial statements as of and for the year ended March 31, 2021

Page 1 of 2

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of Haldia Water Management Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Price Waterhouse & Co Chartered Accountants LLP

Annexure A to Independent Auditors' Report

Referred to in paragraph 13(f) of the Independent Auditors' Report of even date to the members of Haldia Water Management Limited on the financial statements as of and for the year ended March 31, 2021

Page 2 of 2

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

HALDIA WATER MANAGEMENT LIMITED

Note 01: Notes Forming Part to the Financial Statements

01. Corporate Information

- 1.1 Haldia Water Management Limited (HWML) is a public limited Company incorporated under the Companies Act, 1956 on June 12, 2008 having its registered office at Shakti Palace, 2nd floor, Plot No 492(old) & 784 (new), 2nd floor, Mouza, Khanjanchak, Haldia, Purba Medinipur - 721 602, as special purpose vehicle (SPV) to construct new water treatment plant on Build Operate and Transfer (BOT) basis along with operation & maintenance of existing water treatment facilities and supply of water in Haldia.
- 1.2 A 'Concession Agreement' entered into between Haldia Development Authority (HDA) and Haldia Water Management Limited (HWML) conferred the right to the HWML to implement the new water treatment project on Build Operate and Transfer (BOT) basis and make commercial use thereof in accordance with provisions of the Agreement. The Concession period has commenced from the compliance date i.e. November 01, 2008 and is for 25 years from such date. The parties may extend this agreement on mutually agreed terms and conditions. It has also conferred right to operate and maintain the existing water treatment facilities of HDA and supply of water to customers of HDA.
- 1.3 The Company had been formed for specific business purpose as described in paragraph 1.2 above. The volume of water sales and its projection was determined to be significantly lower than what had been budgeted at the time of agreement with Haldia Development Authority (HDA). The low volume in conjunction with other terms of the concession agreement resulted in significant losses and erosion of net worth in the financial statement of the Company. Considering these, the management considered the existing business to be unviable and had in a previous year concluded the concession agreement with HDA to be "Frustrated". Accordingly, the Directors had concluded that the combination of these circumstances represent a material uncertainty and therefore the Company decided to withdraw from the operation of its business in immediate future and had notified HDA of its intention in the year 2012-2013. The operation had been then taken over by HDA in the year 2012-2013.
- 1.4 The Company had in the 2013-14 entered into an Arbitration to adjudicate all disputes in terms of the Arbitration agreement contained in the Concession Agreement. The proceedings of the arbitration have been concluded with the consent order passed by the arbitrator on March 29, 2018. The formal acceptance of Company's exit from the business by HDA and settlement of receivables and payables between the Company and HDA including final settlement /take-over of State Bank of India loan and capital assets by the HDA, pursuant to the consent order, has been initiated. The effect of the consent order has been given in previous year ended March 31, 2019.
- 1.5 While the net worth of the Company has been eroded these financial statements have been prepared on going concern basis considering the support of the parent Company in relation to the Company's ability to meet its financial and operating liabilities for a period of one year from the date of the balance sheet based on its future projection.
- 1.6 The functional and presentation currency of the Company is Indian Rupee ("₹") which is the currency of the primary economic environment in which the Company operates.
- 1.7 As on March 31, 2021, Tata Steel Utilities and Infrastructure Service Limited (Formerly known as Jamshedpur Utilities and Services Company Limited) owns 60% of the ordinary share of the Company has the ability to influence the Company.
- 1.8 The financial statements for the year ended March 31, 2021 were approved by the board of directors and authorized for issue on April 20, 2021.

HALDIA WATER MANAGEMENT LIMITED

Note 01: Notes Forming Part to the Financial Statements

02. Significant Accounting Policies

The significant accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements, unless otherwise indicated.

(a) Statement of Compliance

The financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") notified under section 133 of the companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, as amended from time to time.

(b) Basis for preparation and presentation

The financial statements have been prepared under the historical cost convention with the exception of certain assets and liabilities that are required to be carried at fair values by Ind-AS.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

(c) Use of estimates and critical accounting judgments

In preparation of the financial statements, the Company makes judgments, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

Key source of estimation of uncertainty at the date of financial statements, which may cause material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of provisions and fair value measurements of financial instruments.

Provisions and contingent liabilities

A provision is recognised when the Company has a present obligation as result of a past event and it is probable that the outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised in the financial statements. Contingent assets are neither recognised nor disclosed in the financial statements.

Fair value measurements of financial instruments

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using other valuation techniques. Where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risks, credit risks and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

(d) Property, plant and equipment

An item of property, plant and equipment is recognized as an asset if it is probable that future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. This recognition principle is applied to the costs incurred initially to acquire an item of property, plant and equipment and also to costs incurred subsequently to add to, replace part of, or service it. All other repair and maintenance costs, including regular servicing, are recognized in the statement of profit and loss as

HALDIA WATER MANAGEMENT LIMITED

Note 01: Notes Forming Part to the Financial Statements

incurred. When a replacement occurs, the carrying amount of the replaced part is derecognized. Where an item of Property, plant and equipment comprises major component having different useful lives, these components are accounted for as separate items.

Property, plant and equipment are stated at cost/deemed cost, less accumulated depreciation and impairment. Cost includes all direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use. Trial run expenses (net of revenue) are capitalised. Borrowing costs incurred during the period of construction is capitalised as part of cost of qualifying asset.

The gain or loss arising on disposal of an asset is determined as the difference between the sale proceeds and the carrying amount of the asset, and is recognized in the statement of profit and loss.

(e) Impairment

At each balance sheet date, the Company reviews the carrying amounts of its property, plant and equipment and intangible assets to determine whether there is any indication that the carrying amount of those assets may not be recoverable through continuing use. If any such indication exists, the recoverable amount of the asset is reviewed in order to determine the extent of impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. An impairment loss is recognized in the statement of profit and loss as and when the carrying amount of an asset exceeds its recoverable amount.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset in prior years. A reversal of an impairment loss is recognized as income immediately.

(f) Financial Instruments

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognized in the statement of profit and loss.

Effective interest method

The effective interest method is a method of calculating the amortized cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

HALDIA WATER MANAGEMENT LIMITED

Note 01: Notes Forming Part to the Financial Statements

(i) Financial assets

Cash and Bank Balances

Cash and bank balances consist of:

Cash and cash equivalents - which includes cash on hand, deposits held at call with banks and other short term deposits which are readily convertible into known amounts of cash, are subject to an insignificant risk of change in value and have maturities of less than one year from the date of such deposits. These balances with banks are unrestricted for withdrawal and usage.

Other bank balances - which includes balances and deposits with banks that are restricted for withdrawal and usage.

Financial assets at amortized cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets measured at fair value

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial asset not measured at amortized cost or at fair value through other comprehensive income is carried at fair value through profit or loss.

Impairment of financial assets

Loss allowance for expected credit losses is recognized for financial assets measured at amortized cost and fair value through other comprehensive income.

The Company recognises life time expected credit losses for all trade receivables that do not constitute a financing transaction.

For financial assets whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognised. Loss allowance equal to the lifetime expected credit losses is recognised if the credit risk on the financial instruments has significantly increased since initial recognition.

Derecognition of financial assets

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing of the proceeds received.

HALDIA WATER MANAGEMENT LIMITED

Note 01: Notes Forming Part to the Financial Statements

(ii) Financial liabilities and equity instruments

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortized cost, using the effective interest rate method where the time value of money is significant.

Interest-bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortized cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognized over the term of the borrowings in the statement of profit and loss.

Derecognition of financial liabilities

The Company derecognizes financial liabilities when, and only when, the Company obligations are discharged, cancelled or they expire.

(g) Provisions

Provisions are recognized in the balance sheet when the Company has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the balance sheet date. Where the time value of money is material, provisions are measured on discounted basis.

Constructive obligation is an obligation that derives from an entity's actions where:

- (a) by an established pattern of past practice, published policies or a sufficiently specific current statement, the entity has indicated to other parties that it will accept certain responsibilities; and
- (b) As a result, the entity has created a valid expectation on the part of those other parties that it will discharge those responsibilities.

(h) Taxation

Tax expense for the year comprises current and deferred tax. The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of profit and loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates and tax laws that have been enacted or substantively enacted in countries where the Company operates by the end of the reporting period.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax

HALDIA WATER MANAGEMENT LIMITED

Note 01: Notes Forming Part to the Financial Statements

liabilities are generally recognized for all taxable temporary differences. In contrast, deferred tax assets are only recognized to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilized.

The carrying value of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realized based on the tax rates and tax laws that have been enacted or substantially enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to cover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset to the extent that they relate to taxes levied by the same tax authority and there are legally enforceable rights to set off current tax assets and current tax liabilities within that jurisdiction.

Current and deferred tax are recognized as an expense or income in the statement of profit and loss, except when they relate to items credited or debited either in other comprehensive income or directly in equity, in which case the tax is also recognized in other comprehensive income or directly in equity.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. MAT is recognised as deferred tax assets in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

(i) Revenue

Interest income

Interest income from financial assets is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time proportion basis taking into account the amount outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial assets to that assets net carrying amount on initial recognition.

(j) Earnings per Share

Basic earnings per share have been computed by dividing the profit/loss for the year attributable to equity holders of the Company by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated using the weighted average number of shares and dilutive potential shares except where the result would be anti dilutive.

(k) Segment Reporting

The Company identifies primary segments based on the dominant source, nature of risks and returns, internal organisation, management structure and the internal performance reporting systems. The accounting policies adopted for the segment reporting are in line with the accounting policies of the Company.

HALDIA WATER MANAGEMENT LIMITED

Note 01: Notes Forming Part to the Financial Statements

(I) Recent Accounting Pronouncements

The Ministry of Corporate Affairs (MCA) has issued the Companies (Indian Accounting Standards) Amendment Rules, 2020 on 24 July 2020 which are applicable for the periods beginning April 1, 2020. The amendments to Ind AS and the impact on the financial statements of the Company are summarised below:

Ind AS 116, Leases

- Nature of amendment - Amendment to Ind AS 16 Leases provides lessees with an option to treat qualifying rent concessions in the same way as they would if they were not lease modifications
- Not applicable to the Company, since there is no lease transaction.

Ind AS 103, Business Combinations

- Nature of amendment - The amended definition of a business requires an acquisition to include an input and a substantive process that together significantly contribute to the ability to create outputs. The definition of the term 'outputs' is amended to focus on goods and services provided to customers, generating investment income and other income, and it excludes returns in the form of lower costs and other economic benefits. The amendments will likely result in more acquisitions being accounted for as asset acquisitions
- Not applicable to the Company since no such transactions during the year.

Ind AS 107, Financial Instruments: Disclosures and Ind AS 109, Financial Instruments

- Nature of amendment - Interest rate benchmark reform: These amendments provide certain reliefs in connection with interest rate benchmark reform. The reliefs relate to hedge accounting and have the effect that IBOR reform should not generally cause hedge accounting to terminate. However, any hedge ineffectiveness should continue to be recorded in the income statement.
- Not applicable to the Company since no such transactions during the year.

Ind AS 1, Presentation of Financial Statements, Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors and consequential amendments to other Ind AS

- Nature of amendment – Amendments have been made to Ind AS 1 Presentation of Financial Statements and Ind AS 8 Accounting Policies, Changes in Accounting Estimates and Errors, which use a consistent definition of materiality throughout Ind AS and the Conceptual Framework for Financial Reporting, to clarify when information is material and incorporate some of the guidance in Ind AS 1 about immaterial information.
- There is no significant impact on the financial statements.

Revised Conceptual Framework for Financial Reporting

- Nature of amendment –Entities that rely on the Framework in determining their accounting policies for transactions, events or conditions that are not otherwise dealt with under the accounting standards will need to apply the revised Framework from 1 April 2020. These entities will need to consider whether their accounting policies are still appropriate under the revised Framework.
- There is no significant impact on the financial statements.

NOTE 10: Notes Forming Part of the Financial Statements

10.1 Financial Instruments

Disclosure on financial instruments

This section gives an overview of the significance of financial instruments for the Company and provides additional information on balance sheet items that contains financial instruments. The details of significant accounting policies, including criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each financial assets, financial liabilities and equity instruments are disclosed in notes to financial statements.

(i) Categories of financial instruments

Particulars	As at March 31, 2021 Rupees	As at March 31, 2020 Rupees
Financial assets		
Measured at amortised cost		
(a) Cash and bank balances	3,16,800	3,05,178
(b) Other bank balances	21,17,110	-
(c) Other financial assets at amortised cost	3,24,282	21,69,605
Financial Liabilities		
Measured at amortised cost		
(a) Borrowings	16,50,00,000	16,50,00,000
(b) Trade payables	96,31,676	1,08,32,007
(c) Other financial liabilities	33,48,78,826	33,63,88,594

At the end of the reporting period, there are no significant concentrations of credit risk for financial assets designated at Fair Value through Profit & Loss (FVTPL). The carrying amount reflected above represents the entities maximum exposure to credit risk for such financial assets.

(ii) Financial Risk management objectives

Based on the reasons specified in Notes 1.3 to 1.4, the company has stopped business operation. Company is exposed to liquidity risk since the financial liabilities exceed the financial assets.

Company does not have any risk since the holding company Tata Steel Utilities and Infrastructure Services Limited, has provided a support letter to the company to meet its liabilities to the extent of Rs. 5,00,00,000/- for liabilities other than that of holding company as and when they fall due for a period of 12 months.

Market Risk

Market risk is the risk of any loss in future earnings, in realizable fair values or in future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, liquidity and other market changes. Future specific market movements cannot be normally predicted with reasonable accuracy.

Since the company has stopped business operations the company is not exposed to market risk.

Credit risk management

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses both the direct risk of default and the risk of deterioration of credit worthiness as well as concentration risks.

Since the company has stopped business operations the company is not exposed to credit risk of customers.

Liquidity risk management

Liquidity risk refers to the risk that the company can not meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements.

Company does not have any liquidity risk since the holding company Tata Steel Utilities and Infrastructure Services Limited, has provided a support letter to the company.

The table below provides details regarding the contractual maturities of financial liabilities including estimated interest payments as at March 31, 2021 and March 31, 2020.

HALDIA WATER MANAGEMENT LIMITED

HALDIA WATER MANAGEMENT LIMITED

Notes Forming Part of the Financial Statements

10. Additional information to the financial statements

10.2 The management had in earlier years reviewed the future cash flows expected to be generated from the new water treatment plant being constructed by the Company carried as Capital Work in Progress. Based on the management review, it was assessed that the value in use does not cover the carrying value of the assets. Accumulated impairment loss against the carrying value of the Capital Work in Progress (including Capital Advances) amounts to Rs.88,64,63,563/- (Previous year ended March 31, 2020 Rs.88,64,63,563/-).

However, upon transition to Ind AS in the previous year and based on FAQ issued by the Institute of Chartered Accountants of India on deemed cost of Property, Plant and Equipment under Ind AS 101 which provides an option to continue with the carrying value for all of its property, plant and equipment measured as per previous GAAP and use that as deemed cost on the date of transition. Hence the amount of CWIP on April 01, 2015, being the date of transition, had been disclosed accordingly at NIL Value.

10.3 Dues to Micro and Small Enterprises as per Micro, Small and Medium Enterprises Development Act, 2006
