

Local Stations

ed from DC to AC by March 2016

The eight stations include Kurla, Vidyavihar, Kanjurmarg, Bhandup and Badlapur on the Central line and Walada and Mankhurd on the Harbour line.

alled at Kurla station alone.

on Harbour line will be relatively easier considering the fewer number of bridges and FOBs on the Harbour line. Converting to AC on Harbour line will not only enable the officials to improve the number of trains, but the number of coaches will also be increased from 9-car to 12-car.

CR trains might be delayed from Sept 1-12

Commuters on CR might

face a delay in train services on the mainline as a block for the launching of the girdle will be taken up at Currey Road from September 1 to 12. With the block being taken up during the night hours, the services during the daytime will be affected as there will be a speed restriction of 30 kmph on the slow line and 60 kmph on the fast line during that period. Though the officials said that the block will not have any repercussions on the services, it is likely to affect the punctuality of the trains.
