2. Effect of the Scheme on each class of shareholders and Key Managerial Personnel and promoter shareholders and non-promoter shareholders of Tata Steel Limited:

1. The Valuation Report recommends the following Share Exchange Ratio:

67 (sixty-seven) fully paid-up equity shares of nominal value of ₹1/- each of the Transferee Company for every 10 (ten) fully paid-up equity shares of nominal value of ₹10/- each held in the Transferor Company as on the Record Date (as defined in the Scheme).

No special valuation difficulties were reported by the Valuer.

2. Effect on the equity shareholders (promoter shareholders and non-promoter shareholders)

As far as the equity shareholders of the Transferee Company i.e. both promoter shareholders as well as non-promoter shareholders, are concerned, the amalgamation of the Transferor Company with the Company will result in dilution of holding of promoter

group in the Transferee Company's shares by approximately 0.21% and in turn will increase the public shareholding of the Transferee Company's shares to that extent. There will also be an increase in the trading stock of the shares of the Transferee Company.

Further, the Transferee Company shall without any further application, act, instrument or deed, issue and allot 67 (sixty-seven) fully paid-up equity shares of nominal value of ₹1/- each of the Transferee Company to the shareholders of the Transferor Company (except the Transferee Company) for every 10 (ten) fully paid-up equity shares of nominal value of ₹10/- each held by the shareholders (except the Transferee Company) in the Transferor Company, whose name(s) appear(s) in the register of members, including register and index of beneficial owners maintained by a depository(ies) under Section 11 of the Depositories Act, 1996 as on the Record Date (as defined in the Scheme). Thus, the shareholders of the Transferor Company will become the shareholders of the Transferee Company, which is part of both BSE SENSEX and NIFTY- 50 indices, the two most significant stock indices of the country. The issuance of New Shares in terms of the Scheme will have no significant impact on the shareholders of the Transferee Company, except consequent dilution upon issuance of the New Shares.

3. Effect on the KMPs

There shall be no effect on the KMPs of the Transferee Company except to the extent that Mr. T. V. Narendran, Chief Executive Officer & Managing Director of the Company and Mr. Koushik Chatterjee, Executive Director and Chief Financial Officer of the Company, currently holding directorship in the Transferor Company, shall cease to be the directors of Transferor Company and except to the extent of the equity shares held (if any) by the KMPs or their relatives in the Transferor Company.

The effect of the Scheme on the interests of the KMPs and their relatives holding shares in the Company, is not different from the effect of the Scheme on other shareholders of the Company.

4. Effect on the creditors

Under the Scheme no arrangement or compromise is being proposed with the creditors (secured or unsecured including debenture holders), of the Company. The liability of the creditors of the Company, under the Scheme, is neither being reduced nor being extinguished.

5. Effect on staff or employees

Under the Scheme, no rights of the staff and employees (who are on payroll of the Company) of the Company are being affected. The services of the staff and employees of the Company shall continue on the same terms and conditions applicable prior to the proposed Scheme.

Further, upon the Scheme becoming effective, the employees of the Transferor Company (“**Employees**”) will be deemed to have become employees of the Company pursuant to the Scheme, with effect from the Effective Date.

All such Employees shall be deemed to have become employees of the Company, without any break in their service and on the basis of continuity of service, and the terms and conditions of their employment with the Company, shall not be less favorable than those applicable to them with reference to their employment in the Transferor Company as on the Effective Date.

3. Conclusion

While deliberating on the Scheme, the Board has considered its impact on each of the shareholders (promoters and non-promoter shareholders), KMPs, creditors and employees. In the opinion of the Board, the Scheme is in the best interest of the shareholders (promoters and non-promoter shareholders), KMPs, creditors and employees of the Company and there will be no prejudice caused to them in any manner by the Scheme.

The Board has adopted this Report after noting and considering the documents and information set forth in this Report. In order for the Transferee Company to comply with the requirements of extant regulations applicable to companies undertaking any scheme of amalgamation, this report of the Board may please be taken on record while considering the Scheme.
