Item No. 4:**Background, details and benefits of the transaction**

Tata Motors Limited (**'Tata Motors'**) is a leading global automobile manufacturer with many offerings across commercial, passenger and electric vehicles.

Tata Motors is an associate company of Tata Sons Private Limited [Promoter company of Tata Steel Limited (**'Company'**/ **'Tata Steel'**)] and is a part of the Promoter Group of the Company.

Accordingly, Tata Motors is a related party of the Company in terms of Regulation 2(1)(zb) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, (**'SEBI Listing Regulations'**).

As a part of business operations, Tata Steel enters into various transactions with Tata Motors, directly as well as through a third party, viz. Poshs Metal Industries Private Limited (**'Poshs'**).

Direct transactions with Tata Motors include sale of coil, sheets, plates, power, water etc. The Company also has transactions which qualify as purchase of goods and rendering of services with Tata Motors.

Tata Steel has a Vendor Servicing Model (**'VSM'**) arrangement with Poshs. Through this arrangement, Poshs supplies coils, sheets, plates, coated products etc., to the ancillary entities of Tata Motors. The price at which these goods are supplied by Poshs to the ancillary entities of Tata Motors is negotiated between Tata Steel and Tata Motors.

Through the VSM, Tata Steel caters to the requirement of Tata Motors or its ancillary entities without increasing the in-house processing capacity at Tata Steel and in parallel, ensuring seamless supply chain to serve small customers. Poshs, the VSM partner is responsible for processing & packaging of coils supplied by Tata Steel, taking care of outbound freight, managing inventory, overheads, and receivables for Tata Steel.

These business transactions with third-party/ancillary entities of Tata Motors enables ease of business for both Tata Steel and Tata Motors.

The aforementioned transaction(s) assist in furthering business opportunities and synergy(ies) for both, Tata Steel and Tata Motors.

At the 116th Annual General Meeting of the Company, the shareholders had approved the material related party transactions with Tata Motors Limited for an aggregate amount of ₹1,040 crore (directly with Tata Motors for an amount of up to ₹690 crore and through Poshs Metal Industries Private Limited (**'Poshs'**), third party for an amount of up to ₹350 crore).

However, due to increase in demand from the initial estimate for sale of coils, sheets, plates, coated products etc. the value of transaction through Poshs is estimated to be at ₹500 crore, an increase of ₹150 crore from the previous estimate. Accordingly, an approval from the shareholders of the Company is sought to amend/modify the terms of the said related party contract(s)/ arrangement(s)/transaction(s) with Tata Motors through Poshs, a third party and increase the transaction value from ₹350 crore to ₹500 crore, thereby now aggregating to ₹1,190 crore (directly with Tata Motors for an amount up to ₹690 crore and through third party, viz. Poshs for an amount up to ₹500 crore), for purchase and sale of goods, receiving and rendering of services and other transactions for business, to be entered during FY2023-24.

The Management provided the Audit Committee with the relevant details of the subsequent modifications in the material terms and increase in sanction value of the already approved RPTs including rationale, material terms and basis of pricing. Post discussions and deliberations, the Audit Committee granted approval for modifying the material terms and increase in the sanction value of already approved RPTs with Tata Motors and/or with Poshs, a third party and/or with any of the ancillary entities of Tata Motors, for an aggregate value of ₹1,190 crore (directly with Tata Motors for an amount up to ₹690 crore and through third party, viz. Poshs for an amount up to ₹500 crore) to be entered during FY2023-24. The Committee has noted that the said transaction(s) will be on an arms' length basis and in the ordinary course of business of the Company.
