- a. The Valuation Report recommends a cash consideration of ₹1,045/- (Rupees One thousand and Forty Five only) for every 1 (One) fully paid-up equity share of nominal value of ₹10/- (Rupees Ten) each held by the shareholders (except the Transferee Company) in the Transferor Company as on the Record Date (*as defined in the Scheme*).

No special valuation difficulties were reported by the valuer.

- b. Effect on the equity shareholders (promoter shareholders and non-promoter shareholders)

As far as the equity shareholders of the Transferee Company i.e., both promoter shareholders as well as non-promoter shareholders, are concerned, the

amalgamation of the Transferor Company with the Company will not result in dilution of holding of promoter group in the Transferee Company's shares, nor would there be any change in the shareholding pattern. There will be no change in the trading stock of the shares of the Transferee Company. Pursuant to the Scheme, no new shares shall be issued by the Transferee Company, and there will be no change in economic interest of any of the current shareholders as on February 6, 2023, of the Transferee Company pre and post Scheme coming into effect.

The proposed Scheme does not entitle the promoter/promoter group and the related parties, associates and subsidiaries of the promoter/promoter group of the Company to any shares.

c. Effect on the KMPs

There shall be no effect of the Scheme on the KMPs of the Transferee Company.

The effect of the Scheme on the interests of the KMPs and their relatives holding shares in the Company, is not different from the effect of the Scheme on other shareholders of the Company.

d. Effect on the creditors

Under the Scheme, no arrangement or compromise is being proposed with the creditors (secured or unsecured, including debenture holders) of the Company. The liability of the creditors of the Company, under the Scheme, is neither being reduced nor being extinguished.

e. Effect on staff or employees

Under the Scheme, no rights of the staff and employees (who are on payroll) of the Company are being affected. The services of the staff and employees of the Company shall continue on the same terms and conditions applicable prior to the proposed Scheme.

Further, upon the Scheme becoming effective, the employees of the Transferor Company ("**Employees**") will be deemed to have become employees of the Company pursuant to the Scheme with effect from the Effective Date.

All such Employees shall be deemed to have become employees of the Company, without any break in their service and on the basis of continuity of service, and the terms and conditions of their employment with the Company, shall not be less favorable than those applicable to them with reference to their employment in the Transferor Company as on the Effective Date.

f. Effect of the Scheme on holders of NCDs

i. Impact of the scheme on the holders of NCDs

The holders of the NCDs in the Transferee Company shall continue to hold all the NCDs in the Transferee Company even post the Scheme becoming effective on the same terms and conditions at which they were issued. Thus, the rights of the holders of the NCDs are in no manner affected by the Scheme becoming effective.

ii. Safeguards for the protection of holders of NCDs

The Scheme envisages the amalgamation of the Transferor Company which is an unlisted subsidiary into the Transferee Company. Under the Scheme, no arrangement or compromise is being proposed with the holders of the NCDs of the Company. The liability of the NCD holders of the Company, under the Scheme, is neither being reduced nor being extinguished. Further, the holders of the NCDs shall continue to hold all the NCDs in the Transferee Company even post the Scheme becoming effective, on the same terms and conditions at which they were issued. The Scheme, therefore, has adequate safeguards for the protection of holders of NCDs.

iii. Exit offer to the dissenting holders of NCDs, if any

Since the holders of the NCDs in the Transferee Company shall continue to hold all the NCDs in the Transferee Company even post the Scheme becoming effective on the same terms and conditions at which they were issued, the holders of the NCDs are not affected by the Scheme. Further, the liability of the NCD holders of the Company, under the Scheme, is neither being reduced nor being extinguished. Therefore, the Scheme, does not envisage any exit offer to the dissenting holders of NCDs.

Basis the details provided in paragraphs 2(f) (i) to (iii) above, the Board confirmed that the Scheme will not be detrimental to the interests of the holders of NCDs in the Company.

3. Conclusion

While deliberating on the Scheme, the Board has considered its impact on each of the shareholders (promoters and non-promoter shareholders), KMPs, creditors, employees and holders of the NCDs. In the opinion of the Board, the Scheme is in the best interest of the shareholders (promoters and non-promoter shareholders), KMPs, creditors, employees and holders of the NCDs of the Company and there will be no prejudice caused to them in any manner by the Scheme.

The Board has adopted this Report after noting and considering the documents and information set forth in this Report. In order for the Transferee Company to comply with the requirements of extant regulations applicable to companies undertaking any scheme of amalgamation, this report of the Board may please be taken on record while considering the Scheme.
