Director's report for the financial year ended 31 March 2015

The directors present their report and the unaudited financial statements for the year ended 31 March 2015.

Principal activity, review of the business and future developments

The Company is a wholly owned subsidiary of Tata Steel UK Limited ('TSUK'), which is a wholly owned subsidiary within the Tata Steel Europe Limited ('TSE') Group. The Company was principally engaged as merchants and stockholders of processed steel products.

On 28 March 1992, the net assets and trade of British Steel Service Centres Limited, excluding investments, were transferred to Corus Group Limited at book value.

TSUK appointed British Steel Service Centres Limited as an unremunerated agent to carry on certain of its business with effect from 29 March 1992.

The company has been dormant as defined in section 1169 of the Companies Act 2006 throughout the year and preceding financial period. It is anticipated that the Company will remain dormant for the foreseeable future.

The annual financial statements have not been audited because the company is entitled to the exemption provided by section 480 of the Companies Act 2006 relating to dormant companies and its members have not required the company to obtain an audit of these financial statements in accordance with section 476.

The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and preparation of accounts.

The Company's directors do not believe that key performance indicators (or discussion thereof) are appropriate for an understanding of the development, performance or position of the Company. The performance of TSE, which includes the Company, is discussed in its Annual Report & Accounts, which does not form part of this report.

Directors' indemnity

The Company's Articles of Association provide, subject to the provisions of UK legislation, an indemnity for directors and officers of the Company in respect of liabilities they may incur in the discharge of their duties or in their exercise of their powers, including any liabilities relating to the defence of any proceedings brought against them which relate to anything done or omitted, or alleged to have been done or omitted by them as officers or employees of the Company.

Principal risks and uncertainties

Group risks are discussed in the TSE Annual report, which does not form part of this report.
